Hi, I'm **Miles**

Breed - White and Grey Siberian Husky | Pet ID: 48996304

Gender: Male	Age: Puppy	Size: Large 60-100 lbs (28-45 kg)	Color: White and Grey
--------------	------------	-----------------------------------	-----------------------

About

- Vaccinations up to date, spayed / neutered.
- Pet Friendly
- Guard Dog

My name is Miles and I am a 7.5-year-old Siberian Husky. I'm a beautiful, gentle soul who is so thankful that I will soon have a chance at being part of a family who will love me forever. Despite my shyness, I'm full of curiosity and very interested in discovering the world.

When I settle in, I'd enjoy obedience training with you. I want to be a social dog and that will really help. I am a bit nervous and timid at first but with training I will become more confident. Walks are totally foreign to me although your gentle words will make me put one foot in front of the other. Within no time, I will be looking forward to lots of nice strolls with my new family. I get along with other dogs; in fact, a calm, well-adjusted dog in the home will certainly help me.

Until I get the hang of it, you might expect a few accidents. I am clean in my crate and well on my way to understanding what is expected of me. I have spent far too much time without human companionship, so a home where I am not alone for too many hours is important.

So here I am, just waiting for an experienced, understanding, and patient human who will help me become the best dog I can possibly be. Are you the person who will take me under your wing? I promise to reciprocate with my endless love and affection. Fill in the Application Form... remember, the name is Miles.

BREED: Siberian Husky
GENDER: Male
AGE: 7.5 years
SIZE: Medium (22 lbs)

DOG-FRIENDLY: Yes
CAT-FRIENDLY: TBD
